

BANNER MD ANDERSON Cancer Center: PsychoOncologist

The Division of Medical Oncology and Hematology at Banner MD Anderson Cancer Center continues to experience rapid growth. As part of this growth we are recruiting Advanced Practice Providers to provide outpatient coverage at the Banner MD Anderson Cancer Center in the East Valley.

Excellent opportunity for a dynamic PsychoOncologist to join our highly trained team of Oncologists. Qualified candidate will provide compassionate, evidence-based and multidisciplinary care to cancer patients including doctor-patient communication, psychiatric disorders resulting from cancer treatment, psychosocial care delivery for patients and families, behavioral factors in treatment adherence, risk of progression/recurrence, cancer survivorship and quality of life.

Our PsychoOncologist is expected to be an active member of the Division and participate in clinical, research and education services provided by Banner MD Anderson Cancer Center (BMDACC) at the Gateway Campus.

- PhD or PsyD and licensed as a clinical psychologist required
- Post Doctoral fellowship required
- Experience preferred
- M-F | 8-5 | No Call

The program is highly integrated with The University of Texas MD Anderson Cancer Center in Houston, including opportunities for education and mentorship.

Banner Health, a Top 10 Health System for clinical performance according to Thomson Reuters, has teamed up with MD Anderson Cancer Center, ranked number one by U.S. News and World Report in cancer care seven of the last nine years, to open the Banner MD Anderson Cancer Center. This new center is the broadest extension of MD Anderson's services outside of Houston and will bring an unprecedented level of cancer care to the greater Phoenix area and entire Southwest region.

We offer a generous salary and benefits.
