

**Research Faculty Position in the Patient and Family Wellness Center
Cancer and Blood Diseases Institute and Behavioral Medicine
Cincinnati Children's Hospital Medical Center**

The Patient and Family Wellness Center in the Cancer and Blood Diseases Institute is seeking applicants for a new **Research Faculty position with an appointment at the Assistant or Associate Professor level**. Established in 2012, the mission of the Patient and Family Wellness Center is to advance the behavioral, emotional, cognitive and spiritual outcomes of patients and families served by the Cancer and Blood Disease Institute through science and evidence-driven practice. The Center is a comprehensive psychosocial *clinical and research* program for children, adolescents and young adults with cancer and blood diseases. The faculty appointment is in the Department of Pediatrics, University of Cincinnati College of Medicine. Responsibilities for this position include developing an independent, externally-funded program of psychosocial research focused in hematology and/or oncology. The ideal candidate will have completed a doctorate in clinical psychology (APA accredited) and be licensed or license-eligible in Ohio, and 2 years of research-focused postdoctoral training.

Cincinnati Children's Hospital Medical Center is a leading medical research and teaching hospital. *U.S. News & World Report* ranked Cincinnati Children's Hospital No. 3 in the nation and ranked in the top 10 in all pediatric specialties in the magazine's 2019-2020 list of the best children's hospitals. Among pediatric institutions, Cincinnati Children's Hospital Medical Center is the 2nd highest ranking recipient of research grants from the National Institutes of Health.

Interested applicants should send a CV, letter of interest, three letters of recommendation to:

Ahna Pai, Ph.D.
