PSYCHO-ONCOLOGY PSYCHIATRY FACULTY POSITION: LONG ISLAND

MEMORIAL SLOAN-KETTERING (MSK) CANCER CENTER invites applications for a full-time psychiatry position in the Department of Psychiatry and Behavioral Sciences. This faculty position offers opportunities for clinical care, teaching, and research. This position will provide psychiatric care to two of MSK's regional sites in Long Island: MSK Commack and MSK Nassau. Candidates must have clinical experience and appropriate training in working with adult cancer patients and their families. These positions will work with cancer patients with a variety of cancer diagnoses and all cancer stages. Board certification or eligibility in Consultation-Liaison Psychiatry is preferred. These full-time positions provide a unique opportunity for a blend of patient care, teaching/fellowship training, research, and program development. The Department of Psychiatry and Behavioral Sciences currently has 40 full-time faculty with wide interests in psycho-oncology clinical care, teaching, and research. This search is open to potential candidates at all levels of career experience and appointments will be made at an academic level commensurate with the appointee's experience. All faculty hold academic appointments at the Weill Cornell Medical College. Salary is competitive and commensurate with experience. MSKCC provides excellent benefits including faculty housing benefits. MSKCC is an Equal Opportunity /Affirmative Action Employer. Women and minority candidates are encouraged to apply.
