

**Clinical Faculty Position in the Patient and Family Wellness Center
Cancer and Blood Diseases Institute and Behavioral Medicine
& Clinical Psychology
Cincinnati Children's Hospital Medical Center**

The Division of Behavioral Medicine and Clinical Psychology is seeking candidates for a clinical faculty position at the **Assistant or Associate Professor** level to serve in the Patient and Family Wellness Center in the Cancer and Blood Diseases Institute. Established in 2013, the mission of the Patient and Family Wellness Center is to advance the behavioral, emotional, cognitive and spiritual outcomes of patients and families served by the Cancer and Blood Disease Institute through science and evidence-driven practice. The Center is a comprehensive psychosocial clinical and research program for children, adolescents and young adults with cancer and blood diseases. The faculty appointment is in the Department of Pediatrics, University of Cincinnati College of Medicine. Responsibilities for this position include providing evidence-based clinical care to patients and families, conducting research and teaching physician and psychology trainees. The ideal candidate will have completed a doctorate in clinical psychology (APA accredited), be licensed or license-eligible in Ohio, and have 2 years of postdoctoral training or experience in pediatric hematology, oncology and hematopoietic transplant populations.

Cincinnati Children's Hospital Medical Center is a leading medical research and teaching hospital. *U.S. News & World Report* ranked Cincinnati Children's Hospital No. 3 in the nation and ranked in the top 10 in all pediatric specialties in the magazine's 2019-2020 list of the best children's hospitals.

Applications will be reviewed as they are received and the start date for the position is negotiable. Interested applicants should send a CV, letter of interest, three letters of recommendation to: Ahna.Pai@cchmc.org.

CCHMC is an Equal Opportunity Employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age, genetic information, physical or mental disability, military or veteran status, sexual orientation, or other protected status in accordance with applicable federal, state, and local laws and regulations.
