PSYCHO-ONCOLOGY PSYCHIATRY FACULTY POSITION: MANHATTAN

MEMORIAL SLOAN KETTERING (MSK) CANCER CENTER invites applications for a full-time psychiatry position in the Department of Psychiatry and Behavioral Sciences. This faculty position offers opportunities for clinical care, teaching, and collaborative research. This position will provide psychiatric care to MSK's Manhattan locations, and will be a mix of in-person and telehealth. Candidates must have clinical experience and appropriate training in working with adult cancer patients and their families. The position will work with cancer patients with a variety of cancer diagnoses and all cancer stages. Board certification or eligibility in Consultation-Liaison Psychiatry is preferred. These full-time positions provide a unique opportunity for a blend of patient care, teaching/fellowship training, collaborative research, and program development. The Department of Psychiatry and Behavioral Sciences currently has over 40 full-time faculty with wide interests in psycho-oncology clinical care, teaching, and research. This search is open to potential candidates at all levels of career experience and appointments will be made at an academic level commensurate with the appointee's experience. All faculty hold academic appointments at the Weill Cornell Medical College. Salary is competitive and commensurate with experience. MSKCC provides excellent benefits including faculty housing benefits. MSKCC is an Equal Opportunity /Affirmative Action Employer. Women and minority candidates are encouraged to apply.
