

MOFFITT CANCER CENTER

FACULTY MEMBER, PSYCHIATRIST

The Moffitt Cancer Center is seeking a Consultation Liaison Psychiatrist or Psycho-Oncology Psychiatrist at the Assistant or Associate Member level to fill a faculty position in its growing Behavioral Medicine Service, which is part of the Supportive Care Medicine Department. Responsibilities include attending on the inpatient consultation service, participating in the outpatient clinic practice, and participating in the clinical, educational, and research activities of the department. The ideal candidate will have experience with consultation liaison practice and/or a psycho-oncology background.

The Moffitt Cancer Center is internationally recognized for our focus on personalized cancer care and translational research. With a tradition of excellence that began with the first patient admission in 1986, dedicated Moffitt clinicians, scientists, and staff members have remained committed to excellence in an atmosphere characterized by kindness, caring, and hope.

Requirements

Applicants must have a Florida medical license as an M.D. or D.O. and be board certified or eligible in Psychiatry by the American Board of Psychiatry and Neurology and must become board certified within five (5) years of initial appointment.

Moffitt Cancer Center & Research Institute, Florida's only NCI-designated Comprehensive Cancer Center, is a rapidly growing Center affiliated with the University of South Florida. The Cancer Center is comprised of a large ambulatory care facility, a 206-bed hospital, with a 36-bed blood and marrow transplant program, 20 state of the art operating suites, a 30-bed intensive care unit, a high volume screening program, and a basic science research facility. The Moffitt Research Institute (MRI) is comprised of approximately 160 Principal Investigators, 58 laboratories, and 306,000 square feet of research space.
