PSYCHO-ONCOLOGY PSYCHOLOGY FACULTY POSITION-MANHATTAN

MEMORIAL SLOAN KETTERING (MSK) CANCER CENTER invites applications for a full-time psychologist position in the Department of Psychiatry and Behavioral Sciences. This faculty position will focus primarily on clinical care and will also have opportunities for teaching and conducting collaborative research. This position will provide psychological care to patients in Manhattan and will be a mix of in-person and telehealth. The candidates should have clinical experience and appropriate training in working with adult cancer patients and their families. This position will work with cancer patients, and their families and caregivers, with a variety of cancer diagnoses and cancer stages. This full-time position provides a unique opportunity for a blend of patient care, program development, and collaborative research. The Department of Psychiatry and Behavioral Sciences currently has over 40 full-time faculty with wide interests in psycho-oncology clinical care, teaching, and research. This search is open to potential candidates with a PhD or PsyD and at all levels of career experience. Appointments will be made at an academic level commensurate with the appointee's experience. All faculty hold academic appointments at the Weill Cornell Medical College. Salary is competitive and commensurate with experience. MSK provides excellent benefits including faculty housing benefits. MSK is an Equal Opportunity/ Affirmative Action Employer. Women and minority candidates are encouraged to apply.
