# Our Terms of use

Please Read!

**Code of Ethics:** Every member of APOS agrees to uphold the Code of Ethics established by APOS. [CLICK HERE](#) for the Code of Ethics. Should you have any questions about the Code of Ethics or should a situation that does not uphold this policy occur, please contact Susanne Tomlinson, APOS Member Services Manager at [stomlinson@parthenonmgmt.com](mailto:stomlinson@parthenonmgmt.com)

**Relevant Content Posting Policy:** Messages on interest group lists must relate to the interest group focus. When seeking information or collaboration outside of your Special Interest Group focus, contact the APOS Executive Office at [info@apos-society.org](mailto:info@apos-society.org) Announcements of conferences, workshops, and new relevant publications **ARE** allowed.

**Career Postings:** APOS has a strict policy against utilizing this platform to post career/job opportunities. Although members and non-members alike can advertise these opportunities through proper channels, APOS offers wonderful discounts to members for these services! [CLICK HERE](#) on how to advertise through APOS.

**Surveys:** APOS has a strict policy against utilizing this platform to survey the membership. All research surveys must go through the APOS Research Committee. [CLICK HERE](#) for more information on sending a research survey. For all other surveys, please email the APOS Executive Office at [info@apos-society.org](mailto:info@apos-society.org).

APOS members enjoy networking opportunities within our nine Special Interest Groups (SIGs). Do you have special interest in one or multiple? There is no limit.

### **Bereavement**

The Bereavement SIG promotes interdisciplinary research, professional networking and education related to grief and bereavement.

### **Cancer Caregiver**

The Cancer Caregiver SIG is open to all who are interested in the development and provision of services for caregivers of patients with cancer.

### **Connected Health**

The E-Health SIG provides a forum for sharing of ideas and experiences with the use of internet and social media to provide oncology supportive care educational, clinical, and research services.

### **Health Equity & Cultural Diversity**

The Health Equity and Cultural Diversity SIG promotes research, clinical and supportive care to identify cancer disparities and promote optimal health-related quality of life and survivorship outcomes for all.

### **Integrative Health**

The purpose of the Integrative Oncology SIG is to promote the science and practice of integrative oncology to advance comprehensive and supportive cancer healthcare for people whose lives are affected by cancer.

### **Pediatrics/AYA**

The Pediatric SIG is committed to advancing psychosocial care for children living with cancer and their families.

### **Psychiatric Oncology**

Our goal in creating this SIG is to provide a forum to share ideas, resources, and information related to the diagnosis and treatment of psychiatric disorders and neuropsychiatric complications encountered in patients with cancer.

## Sexual & Reproductive Health

The Sexual & Reproductive Health SIG discusses ways to promote sexual and reproductive health in cancer research and clinical care.

## Spirituality

The Spirituality SIG is an inter-disciplinary group dedicated to understanding the religious and spiritual needs of cancer patients and their families.

## Transplantation and Cellular Therapies (TCT)

The TCT SIG will provide a vibrant forum for interdisciplinary research, professional development, mentorship, networking, and advocacy for all who work with patients undergoing transplantation and cellular therapies.

- **My Settings:** Each member has their own profile settings which is called “*My Settings*” in the top right corner. Here you may update your profile, manage your endorsements, manage your objectives, share relevant key connections, and even view private messages received from fellow group members.
- **My Profile:** Here you update your professional details. Please note, you can also change your password in this section. Groupsite has an automatic biography builder and will utilize your information to build it.
- **My Endorsements:** Here you see all those who have endorsed or given you accolades and who you have endorsed or given accolades to. You can choose to show these on your profile or opt not to.
- **My Objectives:** You may choose to list your professional or personal objectives in the field of psychosocial oncology.
- **My Key Connections:** Here you may share access to your network
- **My Private Messages:** You may view sent and received private messages here.
- **Notifications:** Here you may see what has happened since your last login. This will keep all members connected and up to date since last log in, this is on the bottom of the home page. Once a week, members receive an overview email stating what’s happened since they last logged in or known as the recent activity log. You may log in directly from this email. You may choose the frequency of this email. Twice per week is the default to keep you informed of your SIG.
- **SIGs:** View your SIG(s) once you are a member.
