

Cleveland Clinic, one of the world's most distinguished academic medical centers and ranked by *U.S. News & World Report* announces a search for **an Integrated Health Psychologist (Psycho-oncology and Hereditary Risk) at the Cleveland Clinic Breast Center.**

Integrated Health Psychologist (Psycho-Oncology and Hereditary Risk) Cleveland Clinic Breast Center: This position will support our growing psychology program within the Breast Center, expanding services further at Main Campus and at our regional hospitals. The individual will work in close collaboration with the multidisciplinary teams (Breast Surgery, Medical Breast, Plastic Surgery, Medical Oncology, Genetics Counseling, Social Work and Radiation Oncology) to support patients across the spectrum of hereditary cancer risk, current breast cancer, and breast cancer survivorship. Psychologists will participate in continuing education, weekly tumor board meetings, and medical breast case conferences. Opportunities to develop one's clinical specialty within the Breast Center also exist. Expertise in diversity/equity/inclusion, telehealth, clinical research, and program development preferred.

All staff psychology positions also offer experiences in teaching such as working with medical residents, surgical fellows, Health Psychology Fellowship training, or the supervision of advanced graduate students from Case Western Reserve University. Employment at the Cleveland Clinic allows for opportunities in clinical research, program development, program implementation, and professional development. A faculty appointment at a rank commensurate with experience is available at the Cleveland Clinic Lerner College of Medicine of Case Western Reserve University.

Locations: Main Campus; remote/telehealth; CCF Strongsville Family Health Center (Strongsville, OH)

Qualifications: Doctorate in Clinical or Counseling Psychology with APA accredited internship (health psychology focus preferred), licensure in Ohio (or license eligible), health psychology post-doctoral fellowship and experience in psycho-oncology and/or women's health preferred. PsyPact certification and board certification (ABPP) highly valued.

This dynamic position commands a competitive salary enhanced by an attractive benefits package including but not limited to:

- Excellent medical, dental, vision coverage
- Comprehensive disability and life insurance benefits
- Medical malpractice & tail coverage provided
- Generous time away coverage: vacation, parental leave, holidays and CME time
- Highly competitive retirement plans with employer contribution
- Academic appointments are available through the Cleveland Clinic Lerner College of Medicine
- Telemedicine and Research Opportunities
- Collegial work environment working with Interdisciplinary Teams

Please include your current CV and cover letter with your application addressed to:

Kathleen Ashton, Ph.D., ABPP

Director Behavioral Health, Cleveland Clinic Breast Center
Associate Professor, Cleveland Clinic Lerner College of Medicine

About Us

Cleveland Clinic's vision is to become the best place for care and the best place to work in healthcare. We are committed to providing a safe, stable, and financially fulfilling work environment. Even in these uncertain times, Cleveland Clinic is ambitiously investing in growth. Being a physician-led organization means doing what is best for the patients, every day.

Cleveland Clinic is one of the world's largest and busiest health centers. Patients come to Cleveland Clinic from all over the world. We offer advanced treatment for all illnesses and disorders of the body. We enjoy a strong reputation for outstanding quality care. U.S News & World Report Hospitals ranking of 2021-2022 has named us the No. 2 hospital in the nation once again and No.1 hospital for Ohio and metro areas for Cleveland, Akron and Miami/Ft. Lauderdale. Cleveland Clinic's heart program has ranked No. 1 in the nation since 1995.

We are ranked nationally in 13 specialties, including 11 in the Top 10 and eight in the Top 5.

Other specialties noted for national excellence include ENT and pediatrics. Cleveland Clinic Children's offers highly specialized pediatric care in a family-centered atmosphere. It has been ranked the best children's hospital in Ohio by Child magazine.

In addition, Cleveland Clinic has been recognized as the No. 2 hospital in the world by Newsweek's World's Best Hospitals 2021 list.

Cleveland Clinic main campus and Cleveland Clinic Fairview Hospital are ranked internationally while five other locations are listed among the best hospitals nationwide -
Cleveland Clinic Akron General Hospital
Cleveland Clinic Avon Hospital
Cleveland Clinic Florida-Weston
Cleveland Clinic Hillcrest Hospital
Cleveland Clinic Lutheran Hospital

Cleveland Clinic was founded in 1921 as a not-for-profit group practice, integrating clinical and hospital care with research and physician education. In addition to our Cleveland location, we have Cleveland Clinic Florida, Cleveland Clinic Nevada, Cleveland Clinic Canada, and Cleveland Clinic Abu Dhabi. Cleveland Clinic London is also scheduled to open in Fall 2021.

Cleveland Clinic has more than 4,200 salaried physicians and scientists on staff, representing approximately 120 specialties and subspecialties. Patients come to us from across America and from more than 180 nations. We also lead an extensive system of community hospitals in Northeast Ohio called the Cleveland Clinic Hospitals.

This system is made up of Cleveland Clinic Main Campus, Akron General Hospital, Avon Hospital, Euclid Hospital, Fairview Hospital, Hillcrest Hospital, Lodi Hospital, Lutheran Hospital, Marymount Hospital, Medina Hospital, Mercy Hospital, South Pointe Hospital, and Union Hospital. Ashtabula County Medical Center is also an affiliate of Cleveland Clinic. With approximately 5,895 staffed beds, Cleveland Clinic Hospitals offers broad geographic coverage, a full continuum of care, improved quality and lower cost of care to Northeast Ohio residents.

Cleveland Clinic was named a top hospital and health system by Diversity Inc. in 2020. Companies on this list score well in talent pipeline, talent development, leadership commitment, and supplier diversity.

Our Culture

Cleveland Clinic values a culture where caregivers integrate diversity and inclusion throughout the enterprise. We respect and appreciate our similarities and differences; they enable us to better serve our patients, one another, and our global communities.

*Cleveland Clinic is pleased to be an equal employment/affirmative action employer:
Women/Minorities/Veterans/Individuals with Disabilities.*

Smoke/drug free environment.
