

Academic Outpatient Psycho-Oncology and Adult Psychiatrist, Rank DOQ - University of Utah Health (HMHI) - School of Medicine - Psychiatry

The Huntsman Mental Health Institute and the Adult Psychiatry Division in the Department of Psychiatry at the University of Utah Spencer Fox Eccles School of Medicine are looking for dedicated, innovative, and motivated full-time **Outpatient Psychiatrists** to join its faculty. This combined outpatient position includes 50% clinical effort spent at Huntsman Cancer Hospital (HCH) and 50% time spent in the general adult outpatient behavioral health clinics managed by the Huntsman Mental Health Institute (HMHI). We seek qualified professionals to help us meet the challenges of providing high-quality psychiatric services in a growing mental health care market. HMHI (as part of the University of Utah Health) is relied upon by our local and regional communities to improve overall health and quality of life. We do this by maintaining a commitment to outstanding patient care, the highest standard of training for medical students and residents, and the continued expansion of our pioneering research programs.

Successful candidates will have a faculty appointment in the Department of Psychiatry with rank based on academic experience and professional accomplishments.

The University of Utah is located in the capital city, Salt Lake City - one of the most beautiful cities in the world, surrounded by mountains, with world-class skiing, hiking, backpacking, rock climbing, and mountain biking. The city also enjoys the Sundance Film Festival, a vibrant music scene, excellent restaurants, one of the largest LGBTQ communities in the country, the Utah Symphony/Utah Opera, professional basketball, baseball, and soccer teams, Ballet West (one of the premier ballet companies in the country), a vibrant art and theater community, and many other cultural attractions.

Qualifications:

Applicants should have experience or a strong desire to provide care to the Psycho-Oncology population, hold or be eligible to apply for a current, unrestricted license to practice medicine in the State of Utah, and have expertise in adult outpatient psychiatry. Completion of a residency in Psychiatry is required. The candidate must be board certified or board eligible in Psychiatry. Obtaining board certification is a requirement for retention.

Responsibilities:

Clinical care:

50% of clinical effort developing a Psycho-Oncology program at the Huntsman Cancer Institute, a nationally recognized cancer research center and treatment hospital that serves patients with all types of cancer from throughout the Mountain West, including Utah and parts of Idaho, Montana, Nevada, and Wyoming. Huntsman Cancer Institute is the only National Cancer Institute-Designated Comprehensive Cancer Center in the Mountain West. In addition to clinical care, there will be opportunities for teaching residents, fellows, and health professionals from multiple different specialties. You will be well supported in a highly collegial environment with world-class clinicians from across the spectrum of clinical oncology. This position would also offer opportunities for research, presentation, and publications. There is potential to become a leader and champion in the growing relationship between Huntsman Cancer Institute and Huntsman Mental Health Institute.

The other 50% of the time will serve the mental health needs of the outpatient clientele in one or more satellite clinics operated by HMHI. In both areas, the candidate must show a strong commitment to clinical care; Call is an expected clinical responsibility for all faculty members. Provide cross coverage for vacations and meetings. Specific assignments will be coordinated through the Division Chief of Adult Psychiatry.

Investigation:

Engage in scholarly activities; The opportunity to participate in or initiate peer-reviewed research and develop durable materials (papers, courses, presentations, posters, games) is available.

Education:

Engage in patient care activities with learners (residents, medical students, physician assistant students, and fellows); Serve as a medical student and resident mentor; Teaching/supervising medical students, residents, and fellows in psychiatric clinical rotations.

Administration:

Administrative duties associated with clinical care provided; Administrative service to the Department of Psychiatry, the Spencer Fox Eccles School of Medicine, and the health system, including peer review and participation on committees, may be requested to attain academic promotion; Report to and be reviewed annually by the Division Chief as part of School of Medicine faculty appointment.

The percentage of effort spent in education, investigation, and administrative activities will be negotiated annually. Specific assignments will be coordinated through the Division Chief of the Psychiatry department.
